

# JPIC STRUCTURE

## DIAGRAMMATIC REPRESENTATION :

## Planning:

1. At the school level JPIC, Animators will decide various Activities based on local issues. They finalize with the Principal of the school.
2. The details of the activities taken up will be reported to Zonal Coordinators.
3. The common activities could be shared with the Zonal Coordinators to be taken up at the National Level.

## Meeting:

1. The JPIC Animators of each School conduct a meeting for themselves, then follow it up with Zonal Coordinators. Further place it to the National Coordinators once a month.
2. Further National Coordinators report to PLT and at the International Forum.

## Reporting:

1. The Minutes of the Meeting shared by each individual school with the consent of their school will be forwarded to the Zonal Coordinators.
2. The Zonal Coordinators will filter the activities into Two categories :  
School level and Zonal Level.
3. All the activities related to Zonal Level will be forwarded to National Team.
4. All the points shared by the Zonal Coordinators will be collated by the National Team. REPORT shared with PLT.  
The report will be shared to the PLT.
